of Human Rights in Western Sahara**

**Open letter to the President of the UN General Assembly
H.E. Mr. Tijjani Muhammad-Bande**

Your Excellency,

The 210 undersigning organisations express their deep concern over the appointment of the Moroccan Permanent Representative to the UN, Mr. Omar Hilale, as one of the two co-facilitators for the process of “Strengthening and enhancing the effective functioning of the human rights treaty body system”.

Despite all legislative and communication efforts deployed by its authorities, the Kingdom of Morocco remains a place where the fundamental freedoms and rights are constantly violated, including the freedom of expression and the freedom of peaceful assembly and therefore counts among the countries with the worst human rights records in the world.

More than that, the Kingdom of Morocco is illegally, militarily occupying the Non Self-Governing Territory of Western Sahara since 1975 and is systematically violating the International Humanitarian Law, as well as all fundamental rights of the Sahrawi people, including its sovereignty over the natural resources and its inalienable right to self-determination and independence enshrined in UN General Assembly resolution 1514 (XV).

In recent years, the Human Rights Committee and the Committee on Economic, Social and Cultural Rights have expressed their concerns about the failure to find a solution to the issue of the right to self-determination of the Non-Self-Governing Territory of Western Sahara and the illegal exploitation of the natural resources in the Territory.

Considering the communication submitted by Ennaâma Asfari (one of the leaders of the 2010 mass protest in Gdeim Izik), condemned to 30 years imprisonment without any material element of evidence, the Committee Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment has ruled that the Kingdom of Morocco violated articles 1 and 12 to 16 of the Convention. In a letter dated 9 February 2017, the Kingdom of Morocco vigorously rejected the decision.

In the past, the Special Rapporteur on torture and other cruel, inhuman or degrading treatment or punishment found that “torture and ill-treatment were used to extract confessions and that protestors were subjected to excessive use of force by Moroccan law-enforcement officials.” He also found that “excessive force was used during demonstrations for the independence of Western Sahara, including kidnappings and abandonments in the desert, in order to intimidate alleged protestors.”

In recent years, considering different complaints lodged by Sahrawi Human Rights Defenders or journalists, the Working Group on Arbitrary Detention (WGAD) has repeatedly pointed out the violations of the Universal Declaration of Human Rights and of the International Covenant on Civil and Political Rights by the Moroccan authorities. The Kingdom of Morocco systematically rejects those findings.

In its most recent Opinion (No. 67/2019), released last March 31, considering the communication submitted by a group of 14 students, the WGAD found that the detention of the Student Group was and is arbitrary, breaching Articles 9, 10, 19, 23 of the Universal Declaration on Human Rights, and Articles 1, 2, 3, 7, 9, 14, 18, 19, 26 and 27 of the International Convention on Civil and Political rights.

Moreover, The NGOs – Geneva Support Group for the Protection and Promotion of Human Rights in Western Sahara expresses its deepest concern to see the UN entrust the task of co-facilitator to a diplomat who has personally been widely accused of using corrupt and spying acts against UN personnel while serving as Permanent Representative of the Kingdom of Morocco in Geneva.

It should be recalled here that in the period of Ms. Navy Pillay as UN High Commissioner for Human Rights, Mr. Hilale has been accused on the basis of various official documents leaked by a Moroccan whistleblower (<http://www.arso.org/ColemanPaper.htm>) of corrupting some UN high ranking officers, mainly the Swedish Anders Kompass and the Senegalese Bacre Waly Ndiaye, in addition to using the Pakistani Athar Sultan Khan, as an information source in the office of Mr. Antonio Guterres, former UNHCR High-Commissioner.

According to these official documents, Mr. Hilale was using these three UN officials to serve his country's interests, manipulating UN mechanisms and jeopardizing the efforts made at that time by the UN Secretary General's Personal Envoy, H.E. Mr. Christopher Ross. Such action had in fact undermined years of efforts by the UN to find a solution to the decolonization process of Western Sahara.

The members of the NGOs – Geneva Support Group for the Protection and Promotion of Human Rights in Western Sahara stress that the UN's reputation and neutrality is already severely damaged in Western Sahara, where its Mission is a powerless witness of serious breaches of the International Humanitarian Law and Human Rights law by the Moroccan occupier.

The members of the NGOs – Geneva Support Group for the Protection and Promotion of Human Rights in Western Sahara seize this opportunity to reiterate their appeal to the members of the UN Security Council and in particular to France (the motherland of Human Rights) to include a Human Rights chapter in the MINURSO mandate and to sincerely allow the Mission to accomplish its fundamental mandate, that was due to be implemented in 1992 already: the organization and the supervision of a referendum of self-determination of the people of Western Sahara.

Yours sincerely,

Bir Lehlu / Geneva, 16 April 2020

c.c. : Mr. A. Guterres, UN Secretary General
Ms. M. Bachelet, UN High-Commissioner for Human Rights
Mr. F. Grandi, UN High-Commissioner for Refugees
